Cure for baldness, sagging sex drive

IF you are one of those who keeps selecting caps to hide your bald/partially bald head, it's time you tried out the popular 'Saini Hair Oil' which has helped numerous people get rid of their caps. Saini Hair Oil, which was launched in 1990 by Dr. G.R. Saini of the Saini Group, has worked wonders for people in different countries, including the US, Germany, Europe and the Middle East. In Mumbai, Saini products are available in over 3,000 outlets. The bottle of hair oil costs Rs. 340.

Another promising product is the 'Ashwa' energy capsule which rejuvenates the sexual power in men. It is made out of 42 herbs and is considered a 2,500-year-old formulation. It also causes wrinkles on the face to vanish by activating blood circulation.

heart and lung diseases and digestive disorders. It also calms

Ashwa capsules are more effective if taken with milk.
